The Excise Commissioner
in his letter no. $\frac{984}{42}$ dated
6th August 1900 applied for
sanction to retire the Excise
Supervisor Gurn Row, who
was reported to have completed
his 55 years of age and to be
unfit & inefficient for
further service. The recom-
mendation of the Excise
Commr was accordingly
sanctioned. With reference
to the above Govt. order,
Supervisor Gurn Row
prays for further retention
in service till 30th June 1902
for reasons urged in his
petition dated 27th March
1901 to the Dewan submitted
through the Excise Commr.

1. that he has put ~~forward~~
only 25 years service
under the Mysore Govt.
service.

2 that though he served in the Revenue department in several capacities he had no left in that Dept^y and that consequently he exchanged with an Excise Supervisor of the Excise Dept^y at which he was equally unfortunate.

3 that he had 18 years malnad service & was then transferred to the maidan dist^t of Mysore where ^{he} served for about two years at the end of which period he was again sent to malnad (Tirthahalli) simply because ^{the way in which} ~~he did~~ ^{he} charged his ~~duties~~ ^{duties} to the ~~state~~ ^{the duties} he discharged ^{his duties} under the orders of the Dy. Commr, Mysore, ~~which~~ was unpleasant to some of the officers of the Excise Department.

4 that Mr. Xewins, who was satisfied in the first instance with the petitioner's hard work, has subsequently stated that the petitioner is old & suffers from asthma

with the object of depriving him of the promotion to which he was entitled the Excise Asst^l Commr & the Dy Commr both wanted to remove him from service

5- that he is not overaged as is the case with many others who are still in service; nor is he incapable of doing ^{the} duties entrusted to him as to deserve compulsory retirement. that he is fit to serve longer and above all he has not completed the pensionable service.

In forwarding the above memorial the Excise Commissioner states -

(1) that the petitioner was reported by the Divisional officers as unfit & sickly for further service

(2) that (the Excise Commr) he also found him unfit & inefficient and consequently recom-

mended the petitioner's retirement
which was accordingly sanctioned

- (3) that, the petitioner having
subsequently represented
that he did not complete
the requisite service to entitle
him ^{to} ~~for~~ half pay pension,
he (Excise Comr.) has
not yet ordered him to be
relieved, though urged by
the Excise Division Officer
& the Deputy Comr. for
the petitioner's immediate
retirement, considering
it expedient to keep him
till the end of the current financial
year in preference to a

new man until the com-
pletion of the auction sales.
Rules Section 307(a) of the
 Mysore Civil Service Regulations.

An officer in Superior
service, who has attained the
age of 55 years, may be
required to retire unless
the Government considers
him efficient and permits

him to remain in the service.
 But, as the premature retirement of an efficient officer imposes a needless charge on the State, this rule should be worked with discretion, and in cases in which the rule is enforced a statement of the reasons for enforcing it shall be placed on record.

In August 02, there was

From

To
The Secretary to the

General & Revenue Departments

Sir,

In forwarding the accompanying Memorial addressed to the Dewan of Mysore by Gurn Row, Preventive Supervisor, Thirthahalli Range, I have the honor to state that his immediate Superior Mr. Kearns reported about him - "He may be retired. He is old and suffers a good deal from asthma. It is time he went." I also found him unfit and inefficient. Accordingly, he was recommended for retirement from the service, which was sanctioned in Government Proceedings No. 2119-20, dated 3rd September 1900. Thereupon he represented that he had not completed the requisite service to entitle him to half-pay pension and begged that he might be retained till the end of the current official year. Agreeably to his prayer, and also considering it expedient

expedient to keep him on in preference to a new man, until the auction sales of the Excise shops in the Thirthahalli Taluk are over, I have not yet ordered him to be relieved, although both the Excise Division Officer and the District Deputy Commissioner have been urging his immediate retirement.

In Mysore.

The Humble Memorial of R. Gurn Rao
Excise Supervisor Tiruthalli
Range.

Most humbly Sheweth.

That ~~His~~ Excellency's memorialist —
finding that, he could not obtain Justice
from the Heads of his Department, begs respectfully
to bring the following a resume of his
deplorable Case, which may calmly be
considered by His Excellency's impartial
and unbiassed mind and redress his
grievances —

II That His Excellency's poor memorialist
is a long standing Public Servant, having
25 years Mysore Service, in addition to 7 years
British Service (Malabar collectorate). —

III That His Excellency's poor memorialist
was dragged to the State by Mr late
Rungachari and was appointed Deputy
Clerk Civil Pension Paymaster's Office
at

at Aligone in place of his uncle,
Palghat Hanumanthas Boos who resigned
his appointment in favour of His
Excellency's Poor Memorilist, forfeiting
all his claims for pension and gratuity
on terms laid down in the late,
Chief Commissioner's Letter No. 32 Dated
18th June 1875. —————

IV. That His Excellency's poor memorilist
had been employed in different capacities
as noted on the overleaf. Through his
ill. luck there was no occasion for
him to get a lift in the Revenue
Line, as was the case with his
brother-co-officials, some of whom, have
succeeded in securing decent appointments
in that Department. —————

V. That His Excellency's poor memorilist
having had several disappointments
in the Revenue Line for want of a
support, he exchanged in 1890 with
an Excise Supervisor with a view to
get rid of Malabar climate, where
he had long been in service, and
to try his fortune in the Excise
Department where he expected
his services will be recognized. —

VI. Whereas His Excellency's poor ^{memorialist} ~~memorialist~~ regrets to represent that he has been equally unfortunate with regard to his prospects there too for want of a God-father.

VII That His Excellency's poor memorialist having had 18 years' Malnad Service was sent to Madan in 1897 and was there till 30th June 1899, when, he was all of a sudden, forced again to take up Malnad Service (Ivithahalli), as a reward for the good Service he did in Mysore District under the orders of and to the satisfaction of the Deputy Commissioners of that District, though that Officer protested against his transfer to Malnad. The reason why he was so suddenly transferred from the Mysore District was that His Excellency's poor memorialist discharged the duty, to which he was deputed (Vide Exhibits A and B in original) to the satisfaction of the Deputy Commissioners, which on the other hand, was distasteful to ^{the} ~~the~~ officers in the department, because, the result of the work which His Excellency's poor memorialist was entrusted to do, was the dismissal of the erring officers under the State and the increase of the Excise Revenue. These (his exertions and duties) were unpleasant to the Officers of the Department, though he did them under the orders of the Deputy Commissioners. — VIII

VIII After his being sent to Tentthahalli he was deputed to similarly tedious work in Sagar Taluk by the Special Excise Assistant Commissioner Shimoga Division. He has not failed to do his duty there too conscientiously, and to the satisfaction of the Officer, who deputed him to do the same. The result of his duty there was the degradation of the Erring Official. This increased the dislike of the Heads of the Department, the erring official being one of influence.

IX That His Excellency will be surprised to see that, the Officer who extracted tedious work once from him at Sagar and satisfied with it now reported in his A.O. 295 Dated 2.8.00 Copy of which (Exhibit C) is herewith submitted for perusal, in which he stated that the Memorialist is old and suffers from Asthama, this is nothing but a deep laid plot against the Memorialist to deprive of his promotion which he was rightly entitled to

X That His Excellency's poor Memorialist
having been straight-forward and ¹⁴
prompt in the discharge of his duties and
merciless to evil-doers. the Officers of his
Department found no fault whatever in
him to summarily dismiss him from
Service but they waited for his terms of
age to remove him from Service and
thus he has been made a victim of the
Special Assistant Excise Commissioner and
that of the Deputy Commissioner who were urged
upon his retirement. To the latter Official,
the Memorialist is quite a foreigner and
under whom he has never before served
during his Service

His Excellency's poor Memorialist is
not over aged as was the case with many
now in Service. His Excellency's poor
Memorialist is not so incapable to perform
the duties entrusted to him, as to enforce
the Rules of Compulsory Retirement in
his case. He completes his 57 years of
age by 30th November next. He is physically
fit to do his duties more vigorously than
a youth of this age. Notwithstanding he
has not completed his pensionable Service
in Mysore State which fact will be
convinced by a kind perusal of his
Service

Service Register recorded in the Excise Commissioner's Office. Officials ~~for~~ advanced in age than the Memorialist have been retained in Service under his Excellency's kind patronage. —

It is Surprising why should the Officers, in conjunction, report the Memorialist for his Retirement.

His Excellency's poor Memorialist strongly believes that the causes for his Compulsory Retirement, must be those explained in Para 7-8 and 9 of this memorial. —

That His Excellency's poor Memorialist is not unwilling to retire from Service provided he will be granted half pension, & otherwise that His Excellency's poor Memorialist begs to pray that His Excellency will be pleased to bestow on him the same concession shown to his Co-officials of his age and grant him an extension for a year from July next. —
